The American Conservation Film Festival and the West Virginia Master Naturalist Program present

HIDDEN RIVERS

OF SOUTHERN APPALACHIA

A visual exploration of the rivers and streams of **Southern Appalachia**, North America's most biologically rich waters, this **film** follows the work of conservation biologists and explorers throughout the region and reveals both the beauty and vulnerability of the aquatic life and how many people are finding ways to protect it.

AUGUST 19, 2021 7PM
