Directions

KANAWHA STATE FOREST, 7500 Kanawha State Forest Road, Charleston, WV

From I-64 East or West

Take Exit 58A, drive south on US 119. Turn left onto Oakwood Rd. at the second stop light, (following the brown and white routing signs) go 3/4 mile and take a left before George Washington High School continuing on Oakwood Road, turn right onto Bridge Rd., and right onto Connell Rd. At the bottom of Connell, make a sharp left onto Kanawha Forest Drive, follow to the forest entrance.

From I-79 South/I-77 South

Follow I-77 South towards Charleston. Keep right to follow I-64 East towards Huntington. Take Exit 58A, drive south on US 119. Turn left onto Oakwood Rd. at the second stop light (following the brown and white routing signs for Kanawha State Forest), go 3/4 mile and take a left before George Washington High School continuing on Oakwood Road, turn right onto Bridge Rd., and right onto Connell Rd. At the bottom of Connell, make a sharp left onto Kanawha Forest Drive, follow to the forest entrance.

KSF Nature Center and Shelters 3 & 4: The Nature Center is approximately 1.5 miles into the Forest. Stay on Kanawha State Forest Road until you see signs for The Nature Center on your left. As you turn left into the roads leading to the Nature Center, you'll enter a large parking lot. You'll pass Shelter 3 on your left and Shelter 4 is further to your left at the end of the parking lot. The Nature Center is on your right.

Johnson Hollow: Johnson Hollow is exactly four miles into the Forest. Stay on Kanawha State Forest Road until you see a large gravel parking lot on your left.

ST. ALBANS CITY PARK, 931 Observatory Dr, St Albans, WV

From I-64W or I-64E: Take exit 50 to merge onto WV-25W/1st Ave. S. Keep left to continue on Center St. Turn left onto State Rte 25 Spur/Center St. Continue onto 3rd St. Turn left onto Kanawha Terrace. Turn right onto Observatory Dr. Observatory Dr. turns slightly right and becomes City Park Rd. Destination will be on the left.

From Charleston: Head northeast on US-119 N/Corridor G towards Parkway Rd. Keep left to stay on US-119N/Corridor G N. Take the WV-601 exit toward South Charleston/Davis Creek Rd. Turn left

onto WV-601 N/Kanawha Turnpike. Turn right onto Jefferson Rd. Turn left onto Kanawha Terrace. Turn left onto Observatory Dr. Observatory Dr. turns slightly right and becomes City Park Rd. Destination will be on the left.

WARD HOLLOW NATURE PRESERVE, 2020 Union Carbide Drive, South Charleston, WV 25303
From I-64 West: Take Exit 55 in South Charleston. for Kanawha Turnpike toward Jefferson Road WV-601. Turn left onto Union Carbide Drive. Follow Union Carbide Drive for 0.8 miles, continuing past Bridge Valley CTC. Behind Bridge Valley, there will be a parking lot to your right, next to a red brick building. Drive to the end of that parking lot. The gated entrance to Ward Hollow will be to your right.

From I-64 East: Take Exit 54 in South Charleston. for Kanawha Turnpike toward Jefferson Road WV-601. Turn right onto the first cross street (Jefferson Road). Turn left onto Kanawha Turnpike. Turn right onto Union Carbide Drive. Follow Union Carbide Drive for 0.8 miles, continuing past Bridge Valley CTC. Behind Bridge Valley, there will be a parking lot to your right, next to a red brick building. Drive to the end of that parking lot. The gated entrance to Ward Hollow will be to your right.

WOODSCAPE, Home of Doug Wood and Dianne Anestis
38°22'49.07"N/ 81°55'59.92"W, or 38.380297°/-81.933311°

From St. Albans, travel W on U.S. Rt. 60 past the intersection with WV Rt. 817 (old Rt. 35), and over Coal Mountain to “One Accord Community Church” on the R. To the L, across from the church is Sams Fork Road. Turn onto Sams Fork Rd. and follow for approximately 2.0 miles total to our house, passing a gated driveway entrance on the R at approx. 1.0 mile enroute to our house. At approx. 1.6 miles watch on the L for Spite Road entering from behind. Remain straight on Sams Fork Rd. DO NOT TURN L onto Spite Rd. From this intersection, watch on R of Sams Fork Rd. for the next house on R. This next house on R is ours. Light gray vinyl siding and a steep roof will help you identify it.

From Hurricane exit of I-64, travel S on Rt. 34 towards Hamlin for a mile or so until you reach U.S. Rt. 60. Turn L, E on U.S. Rt. 60 for a few miles, passing a golf driving range on the R to “One Accord Community Church” on the L. To the R, across from the church is Sams Fork Road. Turn onto Sams Fork Rd. and follow for approximately 2.0 miles total to our house, passing a gated driveway entrance on the R at approx. 1.0 mile enroute to our house. At approx. 1.6 miles watch on the L for Spite Road entering from behind. Remain straight on Sams Fork Rd. DO NOT TURN L onto Spite Rd. From this intersection, watch on R of Sams Fork Rd. for the next house on R. This next house on R is ours. Light gray vinyl siding and a steep roof will help you identify it.

CLAUDIA WORKMAN WILDLIFE EDUCATION CENTER, 301 Forks of Coal Way, Alum Creek, WV 25003

From Charleston: Drive south on Corridor G for 11 miles. Turn right on Forks of Coal Way. Turn right immediately and drive to the Center.

ZOOLOGY ZONE SCIENCE CENTER, 3 Valley Park Dr, Hurricane, WV 25526

From Charleston: Drive west on I-64 for 18 miles. Take exit 39 and turn left onto WV-34 South. Drive 4 miles to Valley Park on your right.
